Dear Shihan, sensei and Karatedo Feriends,

It is with great pleasure that the organizing committee of Super Karate-do World Grand Prix, WKKF Seminar extend to you our Official Invitation to these prestigious events. These events will be held on 10th-11th of November, 2017 at the Urayasu city Gymnasium, Chiba JAPAN.

Philosophy of the Event

- (1) To make Super Karate-do (Koshiki Contact Karate-do) part of the School Education Program for training the world's youth.
- (2) Aiming to join "Sports Accord" with recognition of Super Karate-do as a safe and clearly judged modern sport.
- (3) To contribute Super Karate-do as a BUDO working towards world peace and friendship.
- (4) Through Super Karate-do(Koshiki Contact Karate-do) training and tournaments, we aim to develop and sustain people who work together for the benefit of their community, their nation, and the world. To this end, Karate Kids from five continents will gather in JAPAN for a friendship tournament including an international championship. We hope for your kind understanding and support.

The potential of these events to contribute to specially young generation is tremendous. Through such a great opportunity to meet, compete with and exchange friendship internationally, we believe they broaden their international range of vision as well as elevate the level of ability to see, think and act.

We strongly urge you and your students to attend and ask for your support and goodwill in this venture.
