Dear Super Karate-do friends, colleagues and associates;

The International Organizing Committee takes great pleasure in extending to you our official invitation to the 'Super Karate-do World Grand Prix'. This prestigious cultural event will be held on the 10th and 11th August 2019, at the famous Okinawa Prefecture Karate Kaikan, Okinawa, JAPAN.

You are invited to partake in;

- (1) Official welcome to the Super-Karate-do event, 'Returning to the Birth Place of Karate'
- (2) Experience the wonderful local Okinawa culture and festivities
- (3) Contribute to BUDO through Super Karate-do that promotes world peace and friendship
- (4) Develop and support young people working together for the benefit of their community, their nation, and the world

Super Karate-do Kids from five continents are cordially invited to meet in OKINAWA for this friendship tournament that also includes a cultural exchange festival. This forum will encourage young people and our youth to compete at an international level, build new friendships and develop a broader understanding of other people and their cultures. Our young athletes will benefit in all ways through this educational experience.

We look forward to your continued support and to seeing you and your students at this festival.
